Gull Lake High School Bands
2023-2024 Marching Band rehearsal expectations

Rehearsal expectations

- All members will be on time for each rehearsal. "On time" means in place on the specified rehearsal field and ready with all necessary music, instruments and equipment at the designated start time.
- Students will lose participation points for tardiness or being unprepared for rehearsal.
- Members are required to attend the entire rehearsal unless arranged prior with Mrs. Peters.
- Members who have absences from rehearsals, excused or unexcused, may/will be withheld from performances.
- No cell phones during rehearsal unless directed by a staff member for use as a tuner, for Pyware, etc. The Band Director and band staff will confiscate cell phones if necessary.
- Members will not bring personal drama or negative discussions into rehearsals.
- **Rehearsals and performances are outdoors during school hours and after school hours unless the weather turns severe. Students should prepare for all weather conditions and store a change of clothing and shoes in their band locker.**

Concussion/injury/illness protocol

- Students who miss rehearsals or performances due to injury or illness must email Mrs. Peters per the attendance policy in this packet. We follow GLCS illness protocols, including no fever, vomiting, or diarrhea for 24 hours, to be allowed to resume school activities. If a student is injured (concussions, muscle strains or sprains, broken bones, etc.) and requires professional medical attention, they must have a physician's note to sit out. Following an illness or extended injury, we must have clearance from the physician to restart participation.
- Students who sit out during rehearsals for longer than 20 minutes may be sent home to rest and recover.

If students or parents have any questions or concerns regarding rehearsal expectations, please email Mrs. Peters at apeters@gulllakecs.org to set up a private meeting.

Gull Lake High School Bands

2023-2024 Marching Band attendance policy

Marching Band is a group performing ensemble. Performances require many hours of rehearsals and preparation by all members. The absence of even one member adversely affects the ensemble.

Attendance is MANDATORY for all members at all rehearsals and performances. As permitted, the Gull Lake High School Marching Band will perform at Friday home varsity football games, the Homecoming pep assemblies and parade, the MSBOA Marching Festival, and scheduled competitions. The Band Director reserves the right to adjust the schedule as necessary.

Marching Band is a performance-based, graded class.

Concussion/injury/illness protocol

Students who miss rehearsals or performances due to injury or illness must email Mrs. Peters per the attendance policy below. We follow GLCS illness protocols, including no fever, vomiting, or diarrhea for 24 hours, to be allowed to resume school activities. If a student is injured (concussions, muscle strains or sprains, broken bones, etc.) and requires professional medical attention, they must have a physician's note to sit out of rehearsals or performances. Following an illness or extended injury, we must have clearance from the physician to restart participation.

Students who sit out during rehearsals for longer than 20 minutes may be sent home to rest and recover.

Attendance at rehearsals

Pre-Camp and Band Camp weeks are mandatory rehearsal weeks.

After-school and evening rehearsals are mandatory. Students with jobs should arrange their work schedules with their employers ahead of time to ensure they can attend rehearsals. Work conflicts are unexcused absences.

Excused absences include illness, family emergencies, off-campus classes, and GLHS sporting events. Athletes should communicate conflicts with Mrs. Peters and their coach as soon as their sports schedules are published; sports practices and events are not automatically excused. All excused absence requests must be emailed to Mrs. Peters at apeters@gulllakecs.org at least **two weeks** before the day of the rehearsal. If there is an emergency, students must email Mrs. Peters within 48 hours after the missed rehearsal.

Attendance at performances

Football games, Homecoming activities, the MSBOA Marching Festival, and competitions are mandatory performances.

If it is unavoidable that you miss a scheduled performance, you must email Mrs. Peters at apeters@gulllakecs.org at least **two weeks** before the day of the performance. If there is an emergency, students must email Mrs. Peters within 48 hours after the missed performance.

To make up the participation points from an excused missed performance, the student will arrange to play their music for Mrs. Peters before or after school. Mrs. Peters will evaluate make-up performances using the playing test rubric. Students must schedule their make-up performance within two weeks of the missed performance.

Marching Band meets the first trimester in the third block during the school day, Monday through Friday. Attendance expectations will follow the GLHS Attendance Policy. Students must attend at least 50% of their classes during the school day to participate in after-school activities.

Students must participate in at least one trimester of Concert Band or Symphonic Band (second or third trimesters) to be eligible for the Marching Band. Students should be sure to discuss their schedule plans with their guidance counselor.

All after-school full band rehearsals will be held during the first trimester on Monday evenings from 6:00 – 9:00 PM; the location will be announced. Attendance expectations will follow the GLHS Attendance Policy. Students must attend at least 50% of their classes during the school day to participate in after-school activities.

- Wind instrument sectionals will be held on Tuesdays after school, 2:30 – 3:30 PM.
- Percussion sectionals will be held on Tuesdays, 6:00 - 9:00 PM.
- Color Guard sectionals will be held on Wednesdays, 6:00 - 8:30 PM.

Students registered through the GLCS Virtual Partnership or dual enrolled through the GLCS Early College program are expected to participate in all rehearsals and performances in person.

Parents and students, please link your calendar to the [GLHS Band Google calendar](http://www.glhsmusic.weebly.com) at www.glhsmusic.weebly.com for rehearsal and performance information. Families should also join the student and parent BAND groups for updates.

If attendance becomes an issue, the student will meet with the Band Director to discuss possible disciplinary action, including dismissal from the Gull Lake Band program. If students or parents have questions or concerns regarding the Attendance Policy, please email Mrs. Peters to schedule a private meeting.

Students will rehearse and perform outside in all types of weather. As Michigan weather can range from hot and humid to snow throughout the season, students should prepare for any situation. We recommend that students keep extra clothes and shoes at school in their band locker, including a waterproof jacket and other weather-appropriate gear. Rehearsals will move indoors if weather conditions deteriorate or become dangerous, based on GLCS and MHSAA policies. Rehearsing in difficult weather conditions ensures that students can perform in difficult weather conditions.

Students should always have a filled water bottle with them at rehearsals. During rehearsals, water is available to refill as needed; we distribute individual water bottles at performances.

I have read the Attendance Policy and understand my role and responsibilities as a Gull Lake High School Marching Band member.

Gull Lake High School Bands 2023-2024 Marching Band scholarships and financial assistance

Financial needs should never hinder a student's participation in the Gull Lake Marching Band. We are often able to provide confidential need-based assistance to selected Marching Band students in difficult financial situations. Please email Mrs. Peters at apeters@gulllakecs.org or Mrs. Stark at cstark@gulllakecs.org before May 2, 2023, if your family requires assistance. Scholarships may be available through other community groups; families are encouraged to research and apply for scholarships from organizations of their choosing. We will do our best to secure financial assistance but cannot guarantee scholarship awards.

Families who wish to donate to the scholarship fund should email Mrs. Peters or Mrs. Stark. You may also donate online via [E-Funds](#).

Requesting assistance does not guarantee a scholarship award.

Mrs. Peters will notify families of any scholarship award amount from Gull Lake Community Schools or the GLBPA before the start of Band Camp. Unless arranged with the Band Director and Gull Lake Community Schools in advance, all Marching Band fees and personal uniform and apparel fees are due in full by 8:00 AM, Tuesday, July 25. Students with an outstanding balance will be allowed to participate in Band Camp or other Band activities outside school hours only with full payment or by making other arrangements.

If requesting financial assistance, please be prepared to provide the following information:

Student's full name

Parent's or legal guardian's name(s)

Home address

Parent's or legal guardian's phone number

Parent's or legal guardian's email address

Are there any family circumstances that have resulted in your need for financial assistance? (loss of job, illness, etc.)

How much will you be able to pay? The Gull Lake High School Marching Band fee is \$400 per student, plus additional personal uniform requirements not included in the \$400 fee.

Are you willing to make monthly payments after Band Camp? How much could you pay monthly?

Please note – only families requesting assistance before May 2, 2023, will be considered for a scholarship. The amount awarded depends upon the number of families requesting assistance and the available funds.

Please email Mrs. Peters or Mrs. Stark before May 2 if you require alternate payment arrangements.

Families may earn credits for their students' GLBPA trip account by volunteering in the fall concession stand. The GLBPA distributes credits at the end of the season; credits are based on the total profit and the number of volunteer hours served. Please watch for the new SignUpGenius to volunteer for shifts; students at least 15 years old may also volunteer.

GLBPA trip account credits may be used to offset the Marching Band fee, but may not be applied toward the cost of required apparel. If a student graduates with unused credits, they are transferred to the next younger sibling in the GLCS Band program. Credits revert to the GLBPA if there is not a younger sibling in the program. GLBPA trip account credits are not paid out in cash.

Replacement gloves, \$5 per pair, and black socks, \$4 per pair, are available for purchase before rehearsals and performances. Students who arrive for performances without proper gloves or socks will be required to purchase a replacement pair.

Students who own their instruments are responsible for maintenance and repair costs. We can arrange repairs through Meyer Music if desired; any charges are the student's responsibility. Families may also send an instrument their family owns for repair elsewhere; any charges are the student's responsibility. A loaner instrument *may* be available while a student's instrument is in for repair; please see Mrs. Peters or Mrs. Stark. Students who willfully damage, destroy, or lose a school-issued instrument will be required to pay for the repair or purchase a replacement at the current replacement cost. We manage the repairs for school-owned instruments through Meyer Music.

We will provide each student with a digital copy of music and drill before Pre-Camp. Students should print their music and drill as needed for each rehearsal; please email Mrs. Stark before Pre-Camp if you are unable to print your music and drill at home. The Band room printer will not be available for students to make copies. New instrumental students will receive a lyre and flip folder before Pre-Camp; students may order a replacement through the Band office for \$10. We do not loan out lyres or flip folders.

Students should bring their instruments to all rehearsals and performances. We do not stock loaner instruments for students who forget theirs at home.

Transportation

The Marching Band travels as a group to events on GLCS school buses; students may drive themselves or travel with their parents **only** with prior permission from Mrs. Peters. Students may ride the bus back to GLHS after the event or sign out to ride home with their parents; parents and students must be together when signing out. If a student will be riding home from an event with a family member other than their parent or with another family, parents must email Mrs. Peters their permission by the designated date. Once we are back at GLHS following an event, parents do not have to sign out their students.

Bus transportation is a privilege; students must follow all GLCS Transportation Department rules. Failure to do so will result in the loss of transportation privileges.

Feed the Band, food allergies

Selected meals are provided during Band Camp and on designated competition days. We are grateful for the donations that keep our students well-hydrated and well-fueled all season long!

The GLBPA arranges for parent volunteers to prepare and serve dinners each day of Band Camp. Parents should watch for the SignUpGenius link to volunteer for shifts or sign up for donations. We provide a varied menu with vegetarian and gluten-free options as needed and avoid all peanut and tree-nut products. We also need individually packaged salty snacks (pretzels or goldfish crackers), bottled water, canisters of powdered Gatorade, popsicles, and paper goods (including water balloons and coin wrappers!) in addition to Band Camp meals.

Students may not leave the school campus for meals. During Pre-Camp and Band Camp, students should eat a good breakfast at home before arriving each day. They should bring a packed lunch to eat at school on any full day of Pre-Camp and each day of Band Camp. Students are welcome to bring dinner from home if they prefer. Students should store lunches and dinners in a personal cooler. The cafeteria microwaves will be available, but we will not have access to the cafeteria refrigerators or kitchen facilities other than the microwaves to reheat meals.

Please fill out the form below if your student has any food allergies or preferences, such as lactose-free, gluten-free, or vegetarian. We will make every effort to accommodate meal preferences. We cannot guarantee that food cooked in home kitchens will not have cross-contamination with lactose, gluten or allergens. Please email Mrs. Stark if you have concerns about food allergies. We will provide salty snacks and popsicles each day of Band Camp; students who require additional snacks throughout the day are welcome to bring their own.

Parent volunteers provide meals on designated competition days. We offer a varied menu with vegetarian and gluten-free options as needed and avoid all peanut and tree-nut products. Parent volunteers prepare and serve the meals; depending on the schedule, we may eat at GLHS before departing for the competition or on-site following the performance. Students are welcome to provide their own meals if desired. Microwaves are available at GLHS, but refrigeration is not. No refrigeration or cooking facilities are available if we eat on-site at a competition. We always welcome parent assistance; please let us know if you would be willing to help! Parents should watch for the SignUpGenius link to volunteer for shifts or sign up for donations. We also need individually packaged salty snacks (pretzels or goldfish crackers) and bottled water for football games and competitions.

Students should bring a large, labeled water jug to each rehearsal, Pre-Camp, and Band Camp. Water will be available to refill personal water jugs as needed. Students may bring their own water bottles to competitions if they need more water than we provide. Please – no pop, dairy, or energy drinks.

Food and drinks are restricted while students are wearing uniforms. The Band provides water and a snack during football games and after competitions. Students may not visit the concession stand during the game or while in uniform at a competition; please do not send additional snacks with your student. We hope to serve a light meal between the Homecoming parade and the football game; we will announce more details closer to Homecoming.

Please indicate if your student has any dietary restrictions or preferences that would impact the meals planned this year. Please email Mrs. Peters at apeters@gulllakecs.org or Mrs. Stark at cstark@gulllakecs.org to discuss your child's dietary needs further.

Gull Lake High School Bands 2023-2024 Marching Band communications and BAND app

The Gull Lake High School Marching Band program provides information to our families in several ways. We often email about upcoming events, GLBPA meetings, fundraisers, and schedule changes; we will email the student's Gull Lake Community Schools address and the parent address(es) you provide on the online registration form. We also extensively use a phone app, aptly named BAND.

Please download the free app and enter this invite code for the BAND parent group:
<https://band.us/n/adae897e69X0b> or use the QR code below.

Please download the free app and enter this invite code for the BAND student group:
<https://band.us/n/ada38c7068w5s> or use the QR code below.

Percussion, Color Guard, and Student Leaders – we will invite you to specific BAND groups later.

BAND is a free service that allows messaging between Mrs. Peters, students, staff, and parents. The student group is separate from the parent group, although identical messages often post on both groups. Parents and students may use BAND to ask and answer questions of Mrs. Peters or between themselves. We also maintain our calendar on BAND and post links to paperwork.

We use BAND extensively throughout the school year to relay important information and schedules. BAND is where we post instant updates, as we often have no access to email during rehearsals and performances or while traveling. We strongly recommend that all families join both of the free groups. You may change your notification settings to suit your preferences.

Students – please join the STUDENT group with your full name (not a nickname!)

Parents – please join the PARENT group even if your student has already signed up for the student group.

New York City trip participants – we will invite you to a new NYC group closer to the trip.

If you would like to volunteer for our 2023 - 2024 photography team, please complete the GLCS Authorization to Volunteer form in this packet. We would love to have you help document our season!

Gull Lake High School Bands 2023 GLCS Request for Authorization to Volunteer

Want to volunteer throughout the Marching Band season? Welcome! Most positions do not require special skills or training - if you want to help, we will help you find the perfect job! All adult volunteers must complete a GLCS Request for Authorization to Volunteer. This form allows adults to help across the GLCS District for the next school year. The GLCS form is in addition to the MCBA Ford Field release form.

The **Prop Team** helps design, build, and repair the props necessary for the competitive show. Experience with hot glue guns, paint brushes, and power tools is helpful but not required! Much of the work occurs during the summer rehearsals and Band Camp; the Prop Team continues to add finishing touches and enhancements throughout the season.

Our **Trailer Drivers** use their own vehicles to pull the band trailers; drivers need a heavy-duty vehicle with a tow hitch. They help the students load and unload props and transport the trailers to and from performances, including football games, competitions, and Ford Field.

Our **Field Crew** helps the students move props, sound equipment, and front ensemble percussion pieces on and off the performance field. Have you ever wondered what Ford Field looks like from the vantage point of the Detroit Lions? Here's your chance to find out!

The **Uniform Team** ensures that every student looks their best on the field. The Uniform Team fits students during Pre-Camp. While alterations are a big part of the process, no sewing experience is necessary! The Uniform Team helps students with hair, gloves, and shoes; uniform malfunctions; spot cleaning -- in short, everything they need to take the field for a performance. Team members take turns helping for each performance, including before and following each football game, parade, and competition.

Feed the Band volunteers ensure that each student is hydrated and well-fed during Band Camp and on competition days so that they perform safely and to the best of their abilities. Not a confident cook? Not a problem! "Feed the Band" parents donate supplies (such as paper goods, bottled water, and non-perishables); prepare meals; and serve and clean up on competition days at GLHS or on-site. (Ask a veteran parent about our annual Breakfast Burrito Parties!) Watch for the GLBPA SignUpGenius for slots during Band Camp and competitions.

Our **Chaperones** help out during Band Camp, competition days, and when we march in parades. While we would love to have you all day, every day during Camp, we will not require you to give up an entire week of your summer. We divide the day into shifts and will have a SignUpGenius available to choose the times that fit your schedule. Camp chaperones may help move props or equipment; make copies or take photos; fill (and refill) water and Gatorade coolers; assist the Camp staff when necessary; and provide an extra set of eyes and ears. We need bus chaperones on competition days and adults to walk and drive their vehicle(s) behind the band for parades.

Are you a Registered Nurse? EMT? Healthcare professional? Let's talk! Having a trained medical professional on-site during Band Camp and competition days is essential. Most marching injuries are minor (twisted ankles, sunburns, and bee stings), but there may be times when a situation is beyond our staff's basic first aid skills. Our **medical professional** will travel and stay with the band during Camp and on competition days, especially Ford Field day, and manage our medical files and supplies while traveling.

Our **photographers** record the hard work and successes of our season. We welcome your paparazzi skills!

Concession stand volunteers staff the stand during the fall sports season. Families may earn credits for their students' GLBPA trip accounts. Credits may be used to offset the Marching Band fee, but may not be applied toward apparel purchases. Unused credits are transferred to the next younger sibling in the GLCS Band program or revert to the GLBPA if there is not a younger sibling. Students who are at least 15 years old may also volunteer.

Did we miss a job? Let us know! We are happy to put you to work in any way that makes our Gull Lake Marching Band program more educational, enjoyable, and successful for our students. Our program depends upon the generosity of our adult volunteers -- thank you in advance for your help!

2023 Ford Field Agreement and Release of All Claims

If the GLHS Marching Band qualifies for MCBA State Championships, Ford Field requires student participants and adult volunteers to submit an "Agreement and Release of All Claims" form. **The 2023 MCBA Ford Field form has not been released by MCBA as of March 20, 2023. We will distribute the new form once we receive it from MCBA.**

The MCBA paperwork is in addition to the "GLCS Request for Authorization to Volunteer" form required for adult volunteers within the GLCS district. Any adult who wishes to volunteer as a trailer driver, field crew, uniform helper, chaperone, or nurse onsite at Ford Field must complete the MCBA release form.

MCBA limits the number of adult volunteers allowed on the field. Should we receive more requests than the limited number of spots that Ford Field and MCBA make available, the Band Director will select a crew of volunteers. Our Ford Field roster is limited to those adults who have volunteered previously during the season.

Please note – the student and adult forms are combined this year into one document.

If both parents or legal guardians plan to volunteer at Ford Field, both parents or legal guardians must complete the form.

MCBA Ford Field release forms are due to the Band office by Friday, September 8, 2023.

No student Marching Band member or adult volunteer will be allowed to participate at Ford Field without a release form on file.

This year, State Championships at Ford Field are Saturday, November 4, 2023.

Self-Administration/Self-Possession

The **GLCS Trip Medical form** is required yearly for all students. This two-page form contains emergency contact information, the student's medical history, and insurance information should a medical situation occur. Paperwork is kept on file for the 2023-2024 school year and shredded at the end of the school year. Please let Mrs. Stark know if there are any changes to your family's information throughout the year.

Students prescribed medication by a physician must complete a new **GLHS Medication Prescriber/Parent Authorization Form for Self-Administration/Self-Possession** form each school year. It must be signed and dated by a physician and a parent or a legal guardian (1st page) and signed and dated by the student (2nd page). If there are no prescription medications, the parent or a legal guardian should sign and date the first page of the form and mark N/A. Medication prescribed after submitting the initial paperwork packet requires a new physician form. A student may carry or self-administer prescription medication during Marching Band rehearsals, performances, or activities only if this signed form is on file.

We stock a medical bag with basic over-the-counter supplies. Please see the following page for a list of items we usually have available for minor ailments. We are NOT permitted to dispense OTC medications during the school day. Our medical bag is strictly for summer rehearsals, after-school rehearsals, football games, competitions, and performances. Students who require medical attention during the school day will be sent to the Main Office.

Please email Mrs. Peters at apeters@gulllakecs.org or Mrs. Stark at cstark@gulllakecs.org if you would like to discuss your student's medical needs further.

Concussion/injury/illness protocol

Students who miss rehearsals or performances due to injury or illness must email Mrs. Peters per the attendance policy in this packet. We follow GLCS illness protocols, including no fever, vomiting, or diarrhea for 24 hours, to be allowed to resume school activities. If a student is injured (concussions, muscle strains or sprains, broken bones, etc.) and requires professional medical attention, they must have a physician's clearance to restart participation.

Students who sit out during rehearsals for longer than 20 minutes may be sent home.

Gull Lake High School Bands 2023-2024 Marching Band Tentative Rehearsal and Performance Schedule

All rehearsals and performances are required, except for the July 4th rehearsal and parade, as noted below.

Mrs. Peters will confirm call times before each performance. Weather and field availability will determine the rehearsal location. The Band Director, section staff, or student leaders may add evening and weekend rehearsals. Note that rehearsals and performances will take place in all weather conditions. Students should be prepared with proper clothing and shoes to rehearse in Michigan's heat, humidity, rain, or snow, as our season starts in July and ends in November. Rehearsals will be held outdoors during the school day and after school hours unless the weather turns severe.

This calendar assumes that all rehearsals and performances will be in-person without restrictions.
